SLURRY TERRAZZO EPOXY FLOOR SYSTEM

system
317

WEAR-GUARD 317 is an 1/8" slurry terrazzo system that provides an extremely durable floor surface at a fraction of the cost of traditional epoxy terrazzo. It can be used with or without divider strips and provides an exquisite appearance in as little as two days of install time. Designers have a virtually limitless pallet to create just the right touch for their designs. With a wide range of finish coats this system can be configured to meet almost any performance requirements

● COMMON APPLICATIONS

This proprietary flooring system is typically applied over clean prepared concrete. Specific applications include, but are not limited to: airports, hotel and office building lobbies and corridors, high end retail spaces, schools, health care facilities and hospitals.
